- Soluble strip laundry bags are designed to minimise contact between staff and contaminated linen.
- The bags feature a special soluble strip which dissolves in wash cycles at temperatures of around 20 degrees Celsius.
- Once the strip has dissolved, the sack breaks open to allow its contents to be thoroughly cleaned.
- At the end of the wash cycle, simply throw away any residual laundry sack
- Dimension: 18 x 28 x 38" (80L)
- Colour: Red
- 200 sacks per box (4 x 50)
