

SCAFFOLD TUBE END CAPS (200 PACK)

SKU: SC0002

£16.65 ex VAT

Stock: In Stock Order before 3pm for Next Day Delivery. 1

These **Scaffold Tube End Caps** are designed to fit securely over the open ends of scaffold tubes, reducing the risk of injury from sharp edges and preventing debris or water ingress. Supplied in a **pack of 200**, they're ideal for maintaining safety and cleanliness on construction sites.

- **Pack of 200:** Great for large-scale projects or ongoing site maintenance
- **Durable Plastic Construction:** Weather-resistant and built to last
- **Push-Fit Design:** Quick and easy to install without tools
- **Improves Site Safety:** Covers sharp tube edges to help prevent cuts or snags
- **Helps Keep Tubes Clean:** Blocks out water, dirt, and debris
