

SMARTY SAVER AUTOMATIC DEFIBRILLATOR

SKU: FK9002

£835.00 ex VAT

Stock: Available to Order (3-5 Days) Ordered in and delivered within 3-5 days.

- Great value, European manufactured AED defibrillator
- Includes the instant adult/child switch which means only one set of pads is required when treating children or adults
- Compact and lightweight (weighs only 1.56kg)
- Tough, water resistant and dust resistant design with IP56 rating
- Fully-automatic operation (means you DO NOT have to press a button to deliver the shock)

An outstanding European manufactured AED defibrillator which includes the instant adult/child switch so this defibrillator is ideal for setting that may have both adults and children present. With a simple flick of the switch you can change from adult to child mode whilst still using the same set of pads.

Weight: Ultra lightweight 1.56kg including pads and battery

Dimensions: Ultra compact 20 x 21.3 x 7.1cm (with handle folded)

Battery life: On stand by up to 3 years from insertion
