

SUNDSTROM SR507 COMPRESSED-AIR SUPPLY REGULATOR

SKU: SUSR507

£243.75 ex VAT

Stock: Available to Order (2-3 Days) Ordered in and delivered within 2-3 days.

The **Sundström SR 507** is a compressed-air supply regulator that allows compatible Sundström headtops (such as the SR 570, SR 580, or SR 200) to be used in **airline mode**, delivering a continuous flow of clean, filtered air. It's ideal for environments where long-duration respiratory protection is needed without relying on battery-powered units.

- **Compressed Air Regulator:** Converts Sundström headtops for airline-supplied respiratory protection
- **Adjustable Airflow:** Provides a consistent, comfortable flow rate for the user
- **Compatible with Multiple Headtops:** Works with SR 570, SR 580, and SR 200 facepiece systems
- **Secure Hose Connections:** Designed for safe, reliable use in demanding environments
- **Ideal for Long Work Shifts:** Eliminates downtime caused by battery depletion
- **Conforms to EN 14594:2005 Class 3A:** Meets European standards for continuous flow respiratory equipment
