The **Traega ZED2 Ear Defender** offers enhanced noise reduction with a high **SNR of 32**, making it ideal for use in loud industrial, construction, or engineering environments. Designed with comfort and durability in mind, it features a padded, adjustable headband and soft cushioned ear cups for all-day wear.

- **SNR 32 Rating:** High-level noise reduction for demanding, high-noise environments.
- **Padded Adjustable Headband:** Offers a secure and comfortable fit for extended use.
- **Soft Cushioned Ear Cups:** Provides excellent comfort and a snug seal around the ears.
- **Robust Design:** Built to endure daily wear in tough working conditions.
- **Lightweight Construction:** Reduces strain and fatigue during long shifts.
- **Certified to EN 352-1:** Meets European standards for reliable hearing protection.
