The **Traega ZED3 Ear Defender** delivers exceptional noise reduction with a top-tier **SNR of 36**, making it ideal for extremely high-noise environments such as heavy industrial sites, engineering works, and airport ground operations. Featuring a **padded, adjustable headband** and **deep cushioned ear cups**, it ensures maximum comfort and protection during prolonged use.

- **SNR 36 Rating:** Provides one of the highest levels of hearing protection available.
- **Padded Adjustable Headband:** Designed for all-day wear with a secure and comfortable fit.
- **Deep Soft Cushioned Ear Cups:** Offers excellent comfort and superior noise isolation.
- **Robust & Durable Build:** Engineered to withstand harsh industrial conditions.
- **Lightweight for Its Class:** Reduces fatigue during long shifts.
- **Certified to EN 352-1:** Fully compliant with European standards for hearing protection.
