This durable wet and dry vacuum cleaner is designed for heavy duty commercial use, and is ideal for smaller cleaning areas with its 20 litre capacity and compact size. Ideal for use in offices, supermarkets, education facilities, and leisure centres, this machine will both remove excess water and debris to prevent slip risks and provide outstanding cleaning results.

- 20 litre capacity and compact size tailors the machine to smaller cleaning areas.
- No manual adjustment is required to go between wet and dry use.
- Swivel hose connector allows the vacuum to be moved without fear of disconnection.
- Polyethylene, easy to empty tank for durability and ease of use.
- Castors give exceptional manoeuvrability.
- Features blowing port to move material from difficult to reach areas and can help unblock the hose.
- Supplied with a full set of tools.
