The Valet Dual Motor Upright is a powerful commercial vacuum cleaner, removing dust particles down to 0.3 microns. Its commercial cleaning power stems from the 800-Watt dual motor, allowing for high productivity and effective cleaning.

- Two motors, one for the brush and one for the vacuum gives greater pick-up and improved carpet appearance
- 3-stage filtration, including HEPA 12 filter, that provides a high filtration of all particles of 0.3 microns and larger
- Self-adjusting brush head instantly adjusts to the carpet pile height, allowing the brush head to float evenly over all carpet pile surfaces
- The removable extendable wand is ideal for vacuuming upholstery, stairs and hard to reach areas
- On board cleaning tools including crevice tool and brush for convenience and ease of use
- Three positions can be used, upright when using the accessories, standard working position and low for when cleaning under furniture
- Easy to change dust bag
- Cable wrap for tidy storage
