

V SWEEPER COMPLETE (BLUE)

SKU: WH2401

£66.60 ex VAT

Stock: Available to Order (3-5 Days) Ordered in and delivered within 3-5 days.

Our V Sweepers are made from Acrylic heads that use static electricity to hold the dust into the mop and avoid the dust circulating in the air like a normal brush. They are great for reducing the amount of dust created when sweeping the floor and are used in Commercial and Industrial properties.

- Our Scissor action blue V Sweeper is designed for use in large open areas where there are little or no obstructions.
- It allows the user to be able to sweep 2 meters wide in one pass
- Great for use in warehouse picking areas, Corridors and school halls.
- 100cm long heads
