Our V Sweeper replacement heads are made from Acrylic heads that use static electricity to hold the dust into the mop and avoid the dust circulating in the air like a normal brush. They are great for reducing the amount of dust created when sweeping the floor and are used in Commercial and Industrial properties.

- Replacement heads for our Scissor action blue V Sweeper are designed for use in large open areas where there is little or no obstructions.
- It Allows the user to be able to sweep 2 meters wide in one pass
- Great for use in warehouse picking areas, Corridors and school halls.
