Velette Cloths are a general-purpose, heavyweight wipe with great absorbency, containing an antibacterial agent which inhibits bacterial growth and odours on the wipe. The cloths are thick, strong and durable, and can be washed and reused many times. Made from viscose, polyester and antibacterial blend, it is also food contact safe.

Used and trusted within contract cleaning, industrial, hospitals, janitorial, kitchens and hotels.

- 50cm x 35cm
- The cloth is thick, strong, durable and can be reused many times
- The open structure ensures first-rate dirt pick-up and absorption
- Machine washable
- Antibacterial property means the cloth stays fresher for longer
